## SPECIFICATIONS/FEATURES

### Construction

- Exterior: Durable, 10 mil thick, black laminated vinyl that will not peel or chip, or optional stainless steel.
- Heavy gauge stainless steel countertop and lids.
- Interior: Long lasting, heavy duty rust-resistant galvanized steel.
- All models are 26<sup>1</sup>/<sub>2</sub>" deep.
- Entire cabinet structure and doors are insulated using foamed-in-place CFC free high density, polyurethane foam.
- Floor drain provided, drains to condensate pan.
- Heavy duty, 10 mil thick pure grade white vinyl coated wire dividers.
- Versatile top slides easily under the bar top, or can be used as a counter storage space for glasses or bar supplies.

### Doors

- Easy glide insulated stainless steel lid.

### Application

- Performs in the hottest, most humid climates.
- Excellent for all tropical beach bars.

### Models Available

- 36<sup>3</sup>/<sub>4</sub>", 50", 65", and 95" Models in black or stainless steel.
- Huge capacity requires minimum floor space.

### Refrigeration System

- Refrigeration system factory balanced using environmentally friendly CFC-free R134a refrigerant.
- Factory pre-engineered capillary tube system with oversized condenser and evaporator to reduce product pull down time and to consistently maintain 32° to 38°F interior cabinet temperature (non-adjustable capillary tube system superior to problematic expansion valve).
- Forced air refrigeration system for maximum performance.
- Evaporator is epoxy coated at the time of manufacture to eliminate the potential of corrosion.
- Air vents on front and right sides to maximize the flow of fresh air through the condenser.
- Self-contained refrigeration system.
- Slide out condensing unit can be accessed and easily serviced by a single repairperson.

### Installation

- Simple plug in installation.
- No plumbing or condensate heater required.

### Electrical Characteristics

- Unit completely pre-wired at factory, and ready for final connection to a 120/60/1 phase -15 amp dedicated outlet. 7' Cord and plug set is provided. NEMA 5-15P.

### Warranty (USA)

- 1 Year parts and labor warranty.
- 5 Years compressor warranty.
